

Workday Achieves FedRAMP Authorized Designation

Entry into Federal Market Marks Significant Milestone in the Company's Growth Opportunity

PLEASANTON, Calif., July 13, 2022 /PRNewswire/ -- [Workday](#) (NASDAQ: WDAY), a leader in enterprise cloud applications for [finance](#) and [human resources](#), today announced it has achieved FedRAMP Authorized status at the Moderate security impact level from the Federal Risk and Authorization Management Program (FedRAMP) for [Workday Government Cloud](#), marking the company's official entry into the U.S. federal government market. With FedRAMP authorization status, which is required of cloud technology vendors in the federal sector, Workday is now certified by the federal government in meeting the cloud security requirements and can help federal agencies as they look to accelerate their digital transformations.

With Workday Government Cloud, delivered via [Amazon Web Services \(AWS\)](#), federal agencies will be able to:

- **Address Critical Workforce Needs.** With Workday Government Cloud, federal agencies will gain the real-time workforce insights needed to help effectively support evolving workforce dynamics, such as attracting and retaining diverse talent.
- **Better Manage Finances.** Amid rapid change, Workday Government Cloud can help agencies make informed budgetary decisions and better manage resources by tracking key financial performance indicators.
- **Keep Pace with Regulation.** Workday Government Cloud provides federal agencies with tools they need to help make quick, mission-critical decisions and navigate a rapidly changing regulatory environment.

The U.S. federal market is one of the largest and most complex sectors in the world. Workday, together with its [partners](#), has established experience across multiple industries, including state and local government, healthcare, financial services, education, hospitality, and retail. With this industry-leading experience, Workday can help federal agencies remain agile and adaptable, and navigate the fast-changing world.

Comments on the News

"Our official entry into the federal market is a significant moment in Workday's growth story," said Wayne Bobby, vice president, U.S. Federal Government, Workday. "The sector is facing increased complexity and rapid change and agency leaders want to empower their people to be agile and feel supported in the midst of an evolving environment. We remain committed to bringing federal agencies the finance and HR insights needed to accelerate transformation, streamline work processes, and keep pace in a changing world."

Forward-Looking Statements

This press release contains forward-looking statements including, among other things, statements regarding Workday's plans, beliefs, and expectations. These forward-looking statements are based only on currently available information and our current beliefs, expectations, and assumptions. Because forward-looking statements relate to the future, they are subject to inherent risks, uncertainties, assumptions, and changes in circumstances that are difficult to predict and many of which are outside of our control. If the risks materialize, assumptions prove incorrect, or we experience unexpected changes in circumstances, actual results could differ materially from the results implied by these forward-looking statements, and therefore you should not rely on any forward-looking statements. Risks include, but are not limited to, risks described in our filings with the Securities and Exchange Commission ("SEC"), including our Form 10-Q for the fiscal quarter ended April 30, 2022, and our future reports that we may file with the SEC from time to time, which could cause actual results to vary from expectations. Workday assumes no obligation to, and does not currently intend to, update any such forward-looking statements after the date of this release.

Any unreleased services, features, or functions referenced in this document, our website, or other press releases or public statements that are not currently available are subject to change at Workday's discretion and may not be delivered as planned or at all. Customers who purchase Workday services should make their purchase decisions based upon services, features, and functions that are currently available.
