News Brief: Lehigh Valley Health Network Selects Workday to Help Support Transformation into a Digital Health Network

PLEASANTON, Calif., July 18, 2022 -- Workday (NASDAQ:WDAY), a leader in enterprise cloud applications forfinance and human resources, today announced that Lehigh Valley Health Network (LVHN) has selectedWorkday Financial Management, Workday Human Capital Management (HCM), Workday Strategic Sourcing, Workday Supply Chain Management (SCM), and Workday Prism Analytics to help support its transformation into a digital health network.

Headquartered in Allentown, Penn., LVHN has more than 19,000 employees across 12 hospital campuses, health centers, physician practices, rehabilitation locations, ExpressCARE sites, and other outpatient care locations. As LVHN continues to grow, it needs a flexible and agile system to streamline transactions and help the organization operate at scale.

With Workday, Lehigh Valley Health Network plans to:

- Automate supply chain processes and gain real-time visibility into inventory, procurement, spend analysis, sourcing and supplier management, and more, so LVHN can optimize spend control for items such as clinical supplies and personal protective equipment (PPE).
- Blend financial, workforce, supply chain, and clinical data into one system to gain insight into surgery costs, acquisition status, compliance risks, and talent optimization to help improve planning, budgeting, and forecasting.
- Gain a complete understanding of its workforce, skills, and capabilities, so LVHN can deliver an engaging employee experience to help nurture growth.

“We needed an agile system to scale with us and help standardize business processes across the organization as we transform into a digital health network,” said Robert Thomas, vice president, finance, Lehigh Valley Health Network. “Workday will provide us with the access and insight into all of our financial, workforce, and operational data so we can better manage costs, risk, and compliance, and empower our employees to continue delivering world-class care to our communities.”

Forward Looking Statements:

This press release contains forward-looking statements including, among other things, statements regarding Workday's plans, beliefs, and expectations. These forward-looking statements are based only on currently available information and our current beliefs, expectations, and assumptions. Because forward-looking statements relate to the future, they are subject to inherent risks, uncertainties, assumptions, and changes in circumstances that are difficult to predict and many of which are outside of our control. If the risks materialize, assumptions prove incorrect, or we experience unexpected changes in circumstances, actual results could differ materially from the results implied by these forward-looking statements, and therefore you should not rely on any forward-looking statements. Risks include, but are not limited to, risks described in our filings with the Securities and Exchange Commission ("SEC"), including our Form 10-Q for the fiscal quarter ended April 30, 2022, and our future reports that we may file with the SEC from time to time, which could cause actual results to vary from expectations. Workday assumes no obligation to, and does not currently intend to, update any such forward-looking statements after the date of this release.

Any unreleased services, features, or functions referenced in this document, our website, or other press releases or public statements that are not currently available are subject to change at Workday's discretion and may not be delivered as planned or at all. Customers who purchase Workday services should make their purchase decisions based upon services, features, and functions that are currently available.
