

## Workday VNDLY Named a Leader in Everest Group's Vendor Management Systems (VMS) PEAK Matrix® Assessment 2024

### *Leadership Position Based on Market Impact and Vision, and Capabilities*

PLEASANTON, Calif., May 22, 2024 /PRNewswire/ -- [Workday, Inc.](#) (NASDAQ: WDAY), a leading provider of solutions to help organizations manage their [people](#) and [money](#), today announced that [Workday VNDLY](#) was named a Leader and Star Performer in [Everest Group's Vendor Management Systems \(VMS\) PEAK Matrix® Assessment 2024](#). This is the fourth consecutive year that Workday VNDLY has been recognized as a Leader, and the third year it was named both a Leader and a Star Performer. A complimentary copy of the report is available [here](#).

Workday VNDLY helps organizations plan, source, and optimize critical external skills to run the business. With Workday VNDLY, organizations access what they need for end-to-end contingent labor and statement of work (SOW) management – offering key capabilities from intuitive configurability, robust invoicing, comprehensive reporting, integration capabilities to connect the technology ecosystem, and more. With seamless connectivity between Workday VNDLY and [Workday Human Capital Management \(HCM\)](#), companies can adopt a total talent strategy by gaining visibility into their full labor costs to inform workforce and spend-related decisions.

"Workday VNDLY stands out against its peers with its deeper connectivity with Workday HCM, enhanced service procurement functionalities, reporting and analytics, and decision wizard capabilities," says Krishna Charan, vice president, Everest Group. "These factors have contributed to its continued traction and its positioning as a Leader and Star Performer in Everest Group's Global VMS PEAK Matrix 2024."

With Workday VNDLY, customers can:

- Combine Workday VNDLY and Workday HCM for total workforce visibility to accelerate strategic decision-making.
- Save time, effort, and cost with consolidated invoicing, streamlined approval processes, SOW payments, simplified time and expense entry, and more.
- Configure the VMS to meet their unique business requirements while supporting program owners with local compliance rules associated with managing external labor.

"The definition of 'workforce' is evolving, with many organizations becoming more reliant on contingent labor, SOW arrangements, and specialized vendors to get work done," said Mariana Santiago, general manager, Workday VNDLY. "As a strategic part of our total talent and workforce management offering, Workday VNDLY is helping to transform contingent labor programs through configurability, an intuitive interface, and our focus on innovation."

### **Forward-Looking Statements**

This press release contains forward-looking statements including, among other things, statements regarding Workday's plans, beliefs, and expectations. These forward-looking statements are based only on currently available information and our current beliefs, expectations, and assumptions. Because forward-looking statements relate to the future, they are subject to inherent risks, uncertainties, assumptions, and changes in circumstances that are difficult to predict and many of which are outside of our control. If the risks materialize, assumptions prove incorrect, or we experience unexpected changes in circumstances, actual results could differ materially from the results implied by these forward-looking statements, and therefore you should not rely on any forward-looking statements. Risks include, but are not limited to, risks described in our filings with the Securities and Exchange Commission ("SEC"), including our most recent report on Form 10-Q or Form 10-K and other reports that we have filed and will file with the SEC from time to time, which could cause actual results to vary from expectations. Workday assumes no obligation to, and does not currently intend to, update any such forward-looking statements after the date of this release, except as required by law. Any unreleased services, features, or functions referenced in this document, our website, or other press releases or public statements that are not currently available are subject to change at Workday's discretion and may not be delivered as planned or at all. Customers who purchase Workday services should make their purchase decisions based

upon services, features, and functions that are currently available.
